## YOU ARE INVITED

*Easing back into being with others,  
without forgetting what's  
been learned while in quarantine.*

### Small Group IN-Person Reflective Practice

for Managers, CEOs, Entrepreneurs,  
Other Business Professionals.

Alita Taylor, MA, LMFT  
consultant and  
open dialogue  
trainer, facilitates  
this small group  
space monthly  
(in person only)  
for the purpose of  
developing your own  
reflective practices in  
your work.

Alita's consulting space "Inter-Vision" allows for interpersonal neurobiology to do its work. With curiosity and time to focus, and by utilizing reflecting teams, you will begin to open to possibilities not before seen in your organization and/or work life.

Stepping back into 'being with' others is a process. What are you valuing differently now? What do you envision for your life and your company now with this new knowledge?

*"...Truth is not born nor is it to be found inside the head of an individual person, it is born between people collectively searching for truth, in the process of their dialogic interaction."*
